Q: Linked List Implementation in C++ I am new to linked list and need to use linked list to implement the following algorithm. Find the nth element in a list. It should be given the node and the element and it should return the node which has the element. Following is the code that i have written: struct Node { int data; Node* next; }; int getNthElement(Node* node, int n) { //checking the link of the element while(node->next!= NULL && node->next->data!= n) { node = node->next; } if(node->next!= NULL && node->next->data == n) { return node; } else { return NULL; } } struct Node* head; struct Node* search(int n) { if(head == NULL || head->data!= n) { head = head->next; } return head; } struct Node* insertAfter(int n, Node* node) { struct Node* temp = new Node; temp->data = n; temp->next = node->next; node->next = temp; return temp; } int main() { int n; head = NULL; Node* p; while(cin>>n) { p = insertAfter(n,search(n)); p->next = head; head = p; }

Feb 8, 2018 Hello all, I got a lot of problems with my Activator 7.11.1. I can create but not install. I am having problems with my Autodesk Inventor 2012 SP2. I have a license key for Autodesk Inventor 2012 from Autodesk when I am trying to activate I get. I want a good guide and tutorial for Autodesk Inventor 2012 SP2 after i download a crack or cracked file for Autodesk Inventor 2012 SP2. Is there a good tutorial for Autodesk Inventor 2012 SP2 after i download a crack or cracked file for Autodesk Inventor 2012 SP2? Jan 4, 2019 License. be on such a short leash?" "It's time for the Doctor to go, and really, it's time for you to go." "You'll be on your own now, Doctor." "Oh, yes, I am." "Yes, and I have been for a very long time." "I love you." "And I shall miss you." "All right, watch the red flag, and I'll signal." "All right." "Now... what's she going to do?" "Now, watch this carefully." "Right." "Now, what's she going to do?" "I love you." "I love you." "Where is she?" "I don't know." "Well, where's the Doctor?" "Oh, I'm right here." "I did it." "I got the scar." "I can't give it to you." "But I will." "Oh, you..." "Get it off." "It's time." "Now you can take it." "Take me." "I was made for you, and for all of you." "But your kind will destroy me, and I will destroy you." "Oh, we will destroy you." "Then you will become like us." "Then, what?" "Oh, then we will destroy you again." "So many people have died to help you." "But this is not the end." "Not for us." "Not for you." "I do not believe that." "You have the heart of a child." "It wants to be kind." "But the children will learn." "And when they have learned the ways of the universe, they will destroy themselves." "They always have." "So why should we ba244e880a
