[System Requirements: i - The computer should be equipped with a serial port (with PNP ID = 4/4F2). ii - the sound card must be recognised by the virtual pc and be configured in the virtual audio interface. iii - the virtual pc must be configured to use the virtual audio device. iv - it's important that a cd driver is installed. External links Acoustica's official site Category:Audio software Category:Pascal softwareMolecular analysis of aerobic methane formation in a full-scale digester. Methane formation in full-scale activated sludge digesters has been studied. The presence of a wide range of methanogens has been observed. The digester community is dominated by the archaeal genus Methanosarcina with species M. barkeri, M. acetivorans, M. mazei and M. thermophila as the main representatives. Despite the widely accepted relationship of
