Drive Unlimited 2 Update 5 Skidrow 18 I'm
facing issue in windows 8.1 while playing
test drive unlimited 2 update 5 "lanes" screen
stuck when trying to click on "crack me
code" button. UPDATE : BOY I'M
REALLY HAPPY!!!!!! It finally updated!!!!
But i ran into a problem at the end of my
first race, i tried looking up a crash fix for it,
but the only thing that worked for me is "full
uninstallation & re-installation" Here is the
download for it: I had to uninstall the game
and re-install it with a fresh installer, the
installer is in the download. It will be waiting
for me to crash for a couple hours, but it
looks to be working well. Once i get the race
finished, i will upload it. UPDATE 2 : I think
that you guys need to work on the "crash fix"
more. I don't know how to do it by myself,
but i will be sure to have that working by
tomorrow. Once i get the crashes working, i

will upload the update. UPDATE 3 : Crash
fix is working! Uploaded the file.
