**Featured Free Features**

- **Premium Price Finder** - Compare Prices, Product Reviews, Price History, Product Alerts and Coupons: You can send the information to anyone, the web site itself, an email account or update the calendar in MS Outlook.
- **Price History** - Follow the price history of any product by clicking on one of the price history links. See when the price went up and down.
- **Product Alerts** - Find out about important price and product changes in real-time. e.g. if your friends are about to order one of the items, you may want to let them know.

**Make It Easy** - Low Price Finder is an essential tool for your web needs. Find out what products are best priced online or locally on your own website. Compare prices, reviews, prices, ingredients, star ratings, size, and even ingredients.

**New Features** - Our latest and greatest features including:

- **Similar Prices** - Good prices are a good thing, right? But what if you're not using the right place to look for the best prices? Then you should look at our new Similar Prices feature. Use it to find out if the Best Price is also the Lowest Price. Our Similar Prices feature uses real prices, not prices we find on the net. Prices, both good prices and bad prices, are included.
- **Price Histories** - Keep an eye on your "Must Buy" products - see their price history.
- **Product Alerts** - Make sure your friends and family know when your favorite products are about to go on sale. They will thank you.
- **Size Alert** - Find out when you can get a great deal on the
