resolution and they need be resized according to your choice. 5 Stars Pack with Transparent Background is a new and powerful icon pack set full of 5 star icons. This pack is designed for projects about stars, stars, stars, and more stars. Use these stars as social icons to promote new projects, services, or anything else. All images come in transparent background. Use these icons in folders, labels, logos, websites, to go with other

---

projects. Or just use the preview images to create a new icon. Some Icons are plain, some are slick, and some are bright and shiny. We hope you enjoy this pack, if you do, please rate it. Thanks for your support. This is a set of 6 line icons for creative presentations or web pages. Set contains smooth icons in PNG format. Icons are 5×5 with a transparent background. All icons are vector based, so they can be easily modified, scaled and

---

moved around without losing quality. We are proud to announce that our new pack for All Icons is now available and ready to download for free. We decided to put some creative design on our icons, so they will have a more artistic look. All icons are created for personal use and can be used for commercial purposes, but please do not resell any of them. All icons are available in PNG format. You can use them in
